

been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

Effective on January 1, 1999, a visa will no longer be required for products integrated in the second stage of the integration of textiles and clothing into GATT 1994 from WTO member countries (see directive dated September 30, 1998). A visa will continue to be required for non-integrated products. For quota purposes only, products remaining in categories partially integrated will continue to be designated by the designator "pt."

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.
